

THE BRIDGEWATER HALL

Alive with music

Kodo

- Sun 17 Oct 2010, 7.30 pm

[Book Tickets](#)

Tickets: £23.00 - £29.00

For nearly thirty years, Kodo has explored the boundless potential of the ancient Japanese drum, the taiko. Inspired by the powerful natural beauty of their home on Sado Island in the Sea of Japan, Kodo infuses traditional forms with fresh global influences to create new musical expressions that are utterly unique.

Two meanings are embedded in the Japanese characters for Kodo. First, heart-beat: the primal, tender sound as heard in the womb. Second, children of the drum: reflecting Kodo's intent to play their drums simply, with the heart of a child. Since 1981, Kodo has delivered over 3,200 performances in 46 countries, becoming Japan's most acclaimed performing arts group.
